

New Independent Footwear Retailer of the Year

Solent Shoes were delighted to take home the award for 'New Independent Footwear Retailer of the Year' at The Footwear Industry Awards in February 2019.

The owner, Amanda Kent said "It was an honour and a privilege to be amongst such well respected names, to attend such a wonderful event and then to come away with an industry stamp of approval - we are still buzzing!"

Solent Shoes is an independent adult shoe shop located at 6 Castle Street in Portchester providing a wide range of comfortable but stylish footwear for men and women.

Opened in September 2018, they stock a generous range of standard fit shoes from many well-known brands and cater for most tastes whilst specialising in wider fitting shoes.

Amanda is passionate about shoes and understands the importance of correctly fitted footwear. She is a professionally trained shoe fitter and proud member of The Society of Shoefitters. Amanda feels that there is no substitute to having your shoes correctly fitted. This will allow a professional to assess the right style, size, fitting, and have someone who will observe/assess any problem that may possibly be arising, and give you good advice – for free!
